

UWS Sports

The Wurlin Sports is our most popular quality Stormproof Golf Umbrella. The umbrella has high quality fitting and a full hand size riser, making it extremely durable as well as practical. With a large Canopy there is great branding real estate.

The Sports is manufactured in the UK, and we can offer an extensive range of detailing and customisation, from canopy design to handle and rib configurations.

75cm fiberglass ribs as standard for added strength and durability. 16mm Fibre Glass available in a range of Colours. Pantone matched sewing thread. Quality polyester pongee canopy, with a range of canopy format and print options.
